Product Description

The D-Tap to 5.5mm DC Barrel Power Cable (Locking Connector) allows users to operate and power lights such as the amaran COB 60d and amaran COB 60x using cinema batteries with 12V D-Tap Outputs.

The Power Cable features a locking DC Barrel, providing a secure connection with the amaran COB 60 series lights during fast-paced shooting.

The coiled design of the cable allows it to stretch as needed while keeping your lighting kit clean.
